PERSONAL CARE

PRODUCT DATA SHEET

Glucam™ E-20 humectant

Naturally-derived, multi-functional ingredient delivering moisturization with light and airy skinfeel

INCI Name: Methyl Gluceth-20

Glucam™ E-20 humectant is a naturally-derived, multi-functional, mild ingredient that delivers a light, satin-like emollient feel in moisturizing systems. It is an ethoxylated methyl glucose ether and is 100% active. Its low irritation potential makes it ideal for sensitive skin formulations. In addition, Glucam E-20 humectant helps prevent soap bars from cracking and acts as a process aid in soap bar extrusion.

APPLICATIONS

- Body Wash (Bath & Shower)
- Facial Cleansers (Bath & Shower)
- Hand Soap (Bath & Shower)
- Intimate Cleansers (Bath & Shower)
- Mild Cleansers (Bath & Shower)
- Shaving Products (Bath & Shower)
- Shampoo (Hair Care)
- Styling Products (Hair Care)
- After Shave (Skin Care)
- Anti-aging Products (Skin Care)
- Body Lotions/Creams/Gels (Skin Care)
- Color Cosmetics (Skin Care)
- Eye Area Skin Care Products (Skin Care)
- Facial Care Products (Skin Care)
- Hand Sanitizer (Skin Care)
- Hand/Foot Care (Skin Care)
- Lip Care (Skin Care)
- Sun Care (Skin Care)
- Wipes (Skin Care)

FEATURES AND BENEFITS

- Improves flow property in cleansing applications
- Liquid form for ease of processing
- Low irritation potential and is ideal for use in products for sensitive skin
- Naturally derived
- Provides a light, smooth skin feel
- Reduced defatting of the skin
- Reduces tacky feel of formulations containing high levels of glycerine

PHYSICAL DESCRIPTION AND USE

- **Color/Appearance:** Yellow
- **Form:** Liquid
- **Odor:** Slight

MANUFACTURING LOCATION(S), STORAGE AND HANDLING

Manufactured in the following location(s):

- Spartanburg, South Carolina (USA)

Packaging:

- Drum
- Pail

Note that slight difference in volume and weight may occur between geographic regions based on packaging availability

Recommended Retest Period

Recommended retest period is 730 days from the date of manufacture.

Storage and Handling

Store in closed containers and protect from extreme temperatures. Consult the Safety Data Sheet (SDS) for additional pertinent information.

REGULATORY STATUS

Glucam™ E-20 humectant is widely registered on chemical inventories across the globe. For specific status, please consult the most recent Safety Data Sheet or contact your local Lubrizol representative.
